

Smarties Challenge

1

Buy a packet of Smarties
Use them to practice counting and numbers skills, or simply eat them!

2

Ask friends and family to donate 20p and £1 coins fit neatly into the tubes

3

When the tube is full...
Return it to your school or class teacher (check the instructions you were provided)

Did you know?
One Smarties Tube holds 12-worth of 20p pieces, or £27-worth of £1. Wow!

The money you raise really WILL make a difference
All money raised through the Smarties Challenge will be donated to Momentum, a local charity supporting families whose children have cancer or a life-limiting condition. For more information on their valuable work, visit www.moment-um.org. Thank you for your support.
